

Branch 3

For genealogical information about this branch of the family, contact us. If you would like to be put in touch with other members of Braund 3, please ask to be put in touch with Roger Bowman the branch co-ordinator.

Branch 3 is a small branch headed by Jacob and Joanne Braund who had two children baptised in Bradford, Devon in the 1670s. It is likely that there is a link to branch 1 but in the absence of a baptism or marriage for Jacob, we can't confirm it.

Branch three descendant, William Arthur Braund, emigrated to Chagrin Falls, Ohio and there are descendants in the USA today. William's story can be read on the Braund Stories page. Other branch 3 descendants moved to south Wales and Canada.

It seems likely that branches 11, 17 and ultimately branch 9, all link back to branch 3 but again, although DNA supports this, sufficient evidence is not available.
