

Branch 7

Branch 7 is one of the smaller branches. At the top of the tree is William Braund, who married Elizabeth Stenlake, in Halwill by Holsworthy, Devon, in 1718. Only one child, John, has been found for this couple. Branch 7 descendants include two John Braunds, father and son, who were clockmakers in Hatherleigh. Diggory Braund 1836-1921 who emigrated to Ontario, Canada and left many descendants and Thomas Braund, the Bible Christian Minister of Milton Damerel. Other descendants can be found in New Zealand.

It is likely that branch 7 links to branch 19 but missing records make this difficult to confirm.
