

## **Branch 24**

For genealogical information about this branch of the family, contact us. Branch 24 is a small branch, headed by William and Mary Braund née Andrew, who married in East Putford, Devon in 1786. At this time, East Putford was a chapelry of Buckland Brewer, so the marriage is recorded in the Buckland Brewer register. William and Mary had six children. Their eldest son, William, moved to Hitchin, Hertfordshire, where he was a bank manager. Some of his descendants emigrated to Ireland.

William at the top of the tree almost certainly comes from branch 25 and ultimately from branch 2. It would therefore be closely linked to branches 5, 15 and 18.
